BOROUGH of TYNEMOUTH.—NOTICE IS HEREBY GIVEN, that the Council of this Borough, acting as the Local Board of Health, are prepared to APPOINT TWO OFFICERS required by the Public Health Act:—
1. A SURVEYOR, at a salary of 100l. per annum.—This Officer will be competent to superintend the cleansing, management, and repairs of the streets and highways, sewers and drains; to report upon all buildings within the borough with respect to healthiness and convenience; to report upon such houses within the borough as are without a proper supply of water; to assist the Officers of the Board of Ordnance or other parties who may be entrusted with the preparation of an accurate plan of the borough and property; to laying down a system of sewerage; and to give estimates of the probable cost, and superintend the construction of all new drains, sewers, and other works, constructed by direction of the Board. It will be required that the whole of the time of the Surveyor shall be devoted to the duties assigned to him.
2. A COLLECTOR of the District and other Rates under the control of the Local Board.—This Officer will be remunerated by a salary of 6d. in the pound upon the amount collected by him. He will be required to make out, under the supervision of the Clerk, all rates and receipts, and to keep his accounts in such manner and form as may, from time to time, be prescribed by the Board. He will be required to devote the whole of his time to the duties of his office, and to give security for faithfully discharging them, by the bond of himself in 200l., and two sureties in 100l. each.
Candidates for the above-mentioned offices are requested forthwith to send their applications, with testimonials of qualification and competency, addressed to the Clerk of the Local Board, before Saturday, the 29th day of November instant. The nature and extent of the duties of the Officers will be further explained on application to the Clerk.—By order,
THOMAS CARR LISTER, Clerk.
